## IDEALE GELEENTHEID OM SKAARS GENETIKA EN DIERE VAN GEHALTE TE BEKOM

Dit is vir my 'n besondere voorreg om jou by ons nuwe Dries Visser Vyfster Veiling welkom te heet. Ek vertrou jy sal die dag saam met ons geniet. Maak seker jy bly vinnig en slim om nie hierdie ideale geleentheid om kwaliteit genetica en diere te bekom, misloop nie.

My mede-telers met diere op hierdie veiling verteenwoordig van die land se heel beste. Pieter Bellingan is 'n ou vriend van my. Ons is saam betrokke by Nambreed in Namibië. Ek kan verseker sê dat Pieter met van die top genetica in die land teel.

Pieter se plaas Tambotie Floodlands in die Mookgophong distrik in Limpopo is 'n lus vir die oog. Hierdie vleilandgebied is uniek en bied vir diere soos buffels 'n kwaliteit habitat. Die wildgeriewe op die plaas is van hoogstaande gehalte.

Oor die jare het Pieter seker gemaak hy teel net met die room van die oes. Vandag is die eerste keer dat hy diere in Suid-Afrika op veiling verkoop. Ons verwag vurige belangstelling in sy lotte van hoogstaande gehalte.

Wiaan van der Linde van Wintershoek Wild en Extensive Game Breeders se bydrae tot die wildbedryf in Suid-Afrika kan nie maklik oorskakel word nie. Ek het groot respek vir Wiaan as mens, asook vir sy sorgvuldige teelvermoë. Ons is bevoorreg dat hy en sy span ingestem het om vandag fantastiese teelmateriaal uit die Noord-Kaap op ons veiling hier in die bosveld beskikbaar te stel.

Twin City het hulself al goed bewys in die sakewêreld. Oor die afgelope klompie jare het hulle ook in die wildteelbedryf naam gemaak. Ek hou daarvan om met opregte, eerlike mense besigheid te doen. Die eienaars en bestuurders van Twin City Game Breeders en Grootpan Game Breeders val in hierdie groep. Jy kan gerus wees, koop jy vandag by hierdie merkwaardige telerye gaan jy gelukkig wees met die resultaat.

Charl du Toit van Silent Valley Stud Game Breeders is 'n nuwe toetredende tot die wildmark wat baie deurdag wildaankope gedoen het. Aangesien hy oordeelkundig aangeskaf het, beskik hy nou oor top kwaliteit koedoes en swartwitpense. Sy plaas produseer gehalte diere wat uitstekende bloedlyne sal bydrae tot enige ernstige teler se kuddes.

Ons is ook bevoorreg om top kwaliteit diere van Uzzi'a Game Breeders (Elsa van den Heever), Sihenga Wildboerdery (Stephan Naudé), Westhuizen Estates (Jonny van der Westhuizen) en SJ Naudé Boerdery (Jaco Naudé) aan te bied. Hierdie merkwaardige groep telers is almal eerbare mense wat oor baie jare heen reeds betroubare reputasies opgebou het vir uitstekende gehalte diere.

Ek spreek graag my dank uit aan al ons uitgesoekte gasverkopers. Ons het saam seker gemaak dat merkwaardige kwaliteit vandag op veiling aan die wildmark beskikbaar gestel word.

Laastens, 'n paar opmerkings oor die stand van sake in ons geliefde wildbedryf. Ek verstout my om te sê dat die markregstelling van die afgelope jaar 'n goeie ding is. Die oormate spekulasie om "vinnig geld te maak" se tyd is gelukkig nou verby. Dit gee kans vir die ernstige wildteler om seker te maak dat 'n volhoubare wildboerdery geskep en bestuur word.

In my leeftyd het goeie gehalte en kwaliteit teelmateriaal altyd bo uitgekom. Die verbetering van jou eie telery deur bloedlyne van gehalte aan te skaf is steeds die enigste manier om volhoubaar te verbeter. Dit gaan nie verander nie, al is gemiddelde pryse laer. Kwaliteit bly skaars.

Vir my is die twee temas van die wildjaar in 2018 jag en ekstensiewe teling. Jag is die einddoel van alle telerye. Hoe meer, beter gehalte diere geteel word, hoe hoër is die potensiaal van 'n winsgewende jagonderneming vir die wildboer.

Om diere in groter kampe ekstensief te teel is ook 'n belangrike neiging in die wildbedryf. As gevolg van die aanhoudende droogte en ander redes het ek reeds kilometers en kilometers draad uitgehaal namate ek my intensiewe teelkampe afgebreek en begin het om my diere ekstensief te bestuur.

Oor die algemeen is ek uiters positief oor die langtermyn volhoubaarheid van 'n gesonde wildbedryf. Ons is almal deel daarvan en dra gesamentlik verantwoordelikheid om dit na waarde te bestuur.

Alle voorspoed  
Dries

(As auction house, herein after referred to as the "Auctioneer" and the person conducting the auction referred to as the "auctioneer")

1. All goods sold by auction will be subject to a reserve price, unless specifically stated otherwise by the auctioneer at the start of the auction.
2. Unless where notice is given, it is not allowed that the Owner / Seller, his agent or the Auctioneer may bid on any of the Owner's / Seller's goods sold by auction. However, individual Sellers may bid on other Sellers' animals.
3. These Rules of Auction comply with Section 45 of the Consumer Protection Act, Act 68 of 2008 ("the Act") and the Regulations of the Act as applicable, which read as follows:  
Section 45: "Auctions"
  - 1) In this section, "auction" includes a sale in execution of or pursuant to a court order, to the extent that the order contemplates that the sale is to be conducted by an auction.
  - 2) When goods are put up for sale by auction in lots, each lot is, unless there is evidence to the contrary, regarded to be the subject of a separate transaction.
  - 3) A sale by auction is complete when the auctioneer announces its completion by the fall of the hammer, or in any other customary manner, and until that announcement is made, a bid may be retracted.
  - 4) Notice must be given in advance that a sale by auction is subject to—
    - a) a reserved or upset price; or
    - b) a right to bid by or on behalf of the owner or auctioneer, in which case the owner or auctioneer, or any one person on behalf of the owner or auctioneer, as the case may be, may bid at the auction.
  - 5) Unless notice is given in advance that a sale by auction is subject to a right to bid by or on behalf of the owner or auctioneer—
    - a) the owner or auctioneer must not bid or employ any person to bid at the sale;
    - b) the auctioneer must not knowingly accept any bid from a person contemplated in paragraph (a); and
    - c) the consumer may approach a court to declare the transaction fraudulent, if this subsection has been violated.
  - 6) The Minister may prescribe requirements to be complied with by an auctioneer, or different categories of auctioneer, in respect of—
    - a) the conduct of an auction;
    - b) the records to be maintained with respect to property placed for auction; and
    - c) the sale of any such property by auction.
4. The auction is conducted for the normal and voluntary disposal of the Owner's / Seller's goods.
5. Buyers are bidding per piece to take the lot, unless where explicitly stated otherwise by the Auctioneer or in the Auction Catalogue.
6. The auction will start at the published time. The auction will not be delayed to allow any specific person or more persons to take part in the auction.
7. All goods sold at the auction are sold by the Auctioneer as agent on behalf of the Owner / Seller. The Owner / Seller hereby authorises the Auctioneer to issue invoices, credit and debit notes as applicable on its behalf and agrees not to issue the aforementioned for the same supply. The Owner/Seller also hereby authorises the Auctioneer to collect the purchase price from the Buyer and the Owner / Seller do hereby cede to the Auctioneer all the Owner / Seller's rights, title and interest in and to its claim for payment of the purchase price against the purchaser, which session the Auctioneer do hereby accept.
8. The purchase price of the goods sold by auction specifically excludes VAT and VAT must be added to the purchase price and paid by the Buyer unless specifically indicated otherwise. Declaration and compliance related to all applicable taxes is the responsibility of the Owner/Seller and Buyer as relevant.
9. Transfer of risk:
  - 9.1 Risk in respect of profit and loss in the goods sold per catalogue shall pass to the Buyer upon the fall of the hammer and upon acceptance of the bid by the Owner/Seller. The risk in mortality of the goods will remain with the Owner/Seller until the goods are loaded on the Buyer's transport. Where delivery is included in the bidding price the risk in mortality of the goods will remain with the Owner/Seller until safe step-off at the Buyer's address.
  - 9.2 In the event where animals kept in boma are auctioned, risk in respect of profit and loss in the goods sold will pass to the Buyer upon the fall of the hammer, which risk include mortality.
  - 9.3 Notwithstanding the passing of risk, ownership shall remain vested in the Owner/Seller until such time as the full purchase price has been paid to the Owner/Seller.
  - 9.4 Notwithstanding par 9.1 to 9.2 above – the following provisions apply:
    - 9.4.1 Where delivery is delayed by the Buyer:  
All risk will transfer from the Owner/Seller to the Buyer 30 days after the auction, alternatively 30 days after the goods have actually become available, upon advice from the Owner/Seller, whichever occurs last.
    - 9.4.2 Should delivery be delayed by the Owner/Seller:  
All risk will transfer from the Owner/Seller to the Buyer 30 days after delivery was tendered by the Owner/Seller.

13. The auction shall take place under the direct and exclusive control of the auctioneer. The auctioneer reserves the right, in its sole discretion, to refuse the bid of any person, to regulate the bidding and to indicate the highest bidder. If the auctioneer suspects that a bidder has not made a bona fide bid, or is unable to pay the purchase price or has not made satisfactory arrangements for payment of the purchase price, he may refuse to accept the bid of such bidder or accept it provisionally until the bidder has satisfied him that he is in a position to pay the purchase price or that he has made satisfactory arrangements for payment thereof. On refusal of a bid under such circumstances the goods may immediately be re-auctioned.
14. In the event of a dispute arising amongst the bidders and / or the Auctioneer, the goods in dispute shall, at the sole discretion of the Auctioneer, be re-auctioned.
